
Departmental Price Guide

USE THIS GUIDE TO COPY/PASTE LINE ITEMS INTO YOUR EREQUEST

Prices listed in this guide can be used in place of a quote.

For any typos, errors, or price changes we will contact you for approval before charging the correct amount to your eRequest.

DELIVERY/PICKUP: *If your campus building address is listed in the Ship-To field of your eReq, your Apple items will be ordered for delivery from Apple. If you would like to pick your items up at Tech Hub, simply type "Store Pickup" in the Ship-To field. Most Apple items are regularly stocked. Quantities of 5+ may be need to be special ordered instead of taken from stock, at Tech Hub's discretion. Only Apple items can be shipped directly. Other items that Tech Hub has may need to be picked up. You will receive an email about the status of your order once it has been initially processed.*

APPLE SHIPMENT TIMING: At this time, if you request that Apple items be delivered to you on campus, we place an Apple order for your items to be shipped to you directly from Apple. Items usually ship out from Apple within 3-5 days, and transit time will add a few more business days. If you need Apple items immediately, we suggest requesting them for pickup. See "Delivery/Pickup" section above for details.

PRODUCTS NOT IN THIS GUIDE: Products not found in this guide, but found at the Tech Hub store location may be available for departmental purchase as well. If you find something in store that is not in this price guide, you can include the line item description in your eRequest to purchase, or contact Tech Hub to inquire about available product.

This Price Guide is a living document. Check back for new products, price changes, and other updates.
Prices and products may change without notice.

The products and pricing listed in this guide are for OSU departmental purchase only. OSU departmental purchases can only be made with eRequests, and OSU Pcards. Most products are also available with academic discounts for personal purchases. See wiredout.osu.edu for more info.

For custom orders, or questions about departmental purchases at Tech Hub

Purchasing Apps

Tech Hub is the facilitator at OSU for purchasing Mac, and iOS apps, and iBooks.

If you need to purchase apps available on the App Stores with department funds please follow these steps:

1. Go to the Apple Volume Purchase Program Education Store at:
<https://volume.itunes.apple.com/us/store>
2. Search for the App title you'd like.
3. Click on the correct app title to see details and pricing. Make sure to select the app in the correct section (iPad, iPhone, Mac, or iBooks) as some apps have the same title on different platforms.
4. On the app's page, the price(s) will be listed below the app title. There are usually volume discounts listed for quantities of 20+.
5. Fill out an eRequest to Tech Hub. On each line, list the platform, the title you wish to purchase, the quantity, and price. **See example on next page.** Don't forget the platform, so we don't order an iPad app for you if you want a Mac app. Also, please be very clear about the app's title in case other similarly titled apps exist. It's best to copy it verbatim from the VPP site.
6. After Tech Hub receives your eRequest from your business service center, an email will be sent to the "Requested By" contact within 2 business days with attached spreadsheets that contain download codes. Those codes can be distributed to staff for redemption in the corresponding App Stores.

Volume Purchase Program (VPP) Account Requests

Most apps can be ordered by following the instructions on the previous 2 pages.

If you are an IT Manager at OSU, and need to order and manage apps via a Mobile Device Management (MDM) program, you may need to request your own departmental VPP account. Follow these steps to do so:

1. You'll need to first get an OSU group email account created by OCIO specifically for this purpose.
Example: department-applevpp@osu.edu.
2. Send an email to techhuborders@osu.edu. Subject: "New Apple VPP Account Request." In this email, please tell us the group email address you just had created, and the primary account holder name.
3. We will create this account for you in Apple's VPP system, and an Apple email will be sent to the group account inbox. You can then follow Apple's instructions to finish setting up your account. This can take up to 2 business days.
4. If you need to buy apps under this account, you will need funds in the account. You can request funds at any time by submitting an eRequest to Tech Hub with this line item: AVPPCREDIT Apple VPP funds - (account email address.) You can request any amount you'd like. **See example on next page.**
5. Once we receive your eRequest, Tech Hub will order the credit from apple for your departmental account. You will receive an email from Apple with instructions to redeem the funds. This can take 2 business days.
6. You will need to make sure your MDM is linked to your VPP account via a token in the account. Also, when ordering apps for MDM on the VPP site, be sure to choose the "Managed Distribution" option, and NOT "Redeemable Codes."

DELIVERY OF ENDNOTE SOFTWARE

EndNote is delivered by electronic download. Once your service center dispatches your eRequest to Tech Hub, within 1-2 business days you will receive an email from us with a download link and your product activation key.

Adobe

Most Adobe software for departmental use is now available through a site license administered by OCIO. Acrobat Pro, and Creative Cloud is available. Please see ocio.osu.edu/software for details. If you are looking for an Adobe product that is not Acrobat Pro, or part of the Creative Cloud suite, please email us at techhuborders@osu.edu, and we'll see what licensing is available.
