Tech Hub is the facilitator at OSU for purchasing Mac, and iOS apps, and iBooks.
If you need to purchase apps available on the App Stores with department funds please follow these steps:

1. Go to the Apple Volume Purchase Program Education Store at:

2. Search for the App title you’d like.

3. Click on the correct app title to see details and pricing. Make sure to select the app in the correct section (iPad, iPhone, Mac, or iBooks) as some apps have the same title on different platforms.

4. On the app’s page, the price(s) will be listed below the app title. There are usually volume discounts listed for quantities of 20+.

5. Fill out an eRequest to Tech Hub. On each line, list the platform, the title you wish to purchase, the quantity, and price. See example on next page. Don’t forget the platform, so we don’t order an iPad app for you if you want a Mac app. Also, please be very clear about the app’s title in case other similarly titled apps exist. It’s best to copy it verbatim from the VPP site.

6. After Tech Hub receives your eRequest from your business service center, an email will be sent to the “Requested By” contact within 2 business days with attached spreadsheets that contain download codes. Those codes can be distributed to staff for redemption in the corresponding App Stores.

Volume Purchase Program (VPP) Account Requests

Most apps can be ordered by following the instructions on the previous 2 pages. If you are an IT Manager at OSU, and need to order and manage apps via a Mobile Device Management (MDM) program, you may need to request your own departmental VPP account. Follow these steps to do so:

1. You’ll need to first get an OSU group email account created by OCIO specifically for this purpose. Example: department-applevpp@osu.edu.

2. Send an email to techhuborders@osu.edu. Subject: “New Apple VPP Account Request.” In this email, please tell us the group email address you just had created, and the primary account holder name.

3. We will create this account for you in Apple’s VPP system, and an Apple email will be sent to the group account inbox. You can then follow Apple’s instructions to finish setting up your account. This can take up to 2 business days.

4. If you need to buy apps under this account, you will need funds in the account. You can request funds at any time by submitting an eRequest to Tech Hub with this line item: AVPPCREDIT Apple VPP funds - (account email address.) You can request any amount you’d like. See example on next page.

5. Once we receive your eRequest, Tech Hub will order the credit from apple for your departmental account. You will receive an email from Apple with instructions to redeem the funds. This can take 2 business days.

6. You will need to make sure your MDM is linked to your VPP account via a token in the account. Also, when ordering apps for MDM on the VPP site, be sure to choose the “Managed Distribution” option, and NOT “Redeemable Codes.”

DELIVERY OF ENDNOTE SOFTWARE
EndNote is delivered by electronic download. Once your service center dispatches your eRequest to Tech Hub, within 1-2 business days you will receive an email from us with a download link and your product activation key.

Adobe

Most Adobe software for departmental use is now available through a site license administered by OCIO. Acrobat Pro, and Creative Cloud is available. Please see ocio.osu.edu/software for details. If you are looking for an Adobe product that is not Acrobat Pro, or part of the Creative Cloud suite, please email us at techhuborders@osu.edu, and we’ll see what licensing is available.
