USE THIS GUIDE TO COPY/PASTE LINE ITEMS INTO YOUR EREQUEST

Prices listed in this guide can be used in place of a quote. For any typos, errors, or price changes we will contact you for approval before charging the correct amount to your eRequest.

DELIVERY/PICKUP: If your campus building address is listed in the Ship-To field of your Requisition, your Apple items will be ordered for delivery from Apple. If you would like to pick your items up at Tech Hub, simply type “Store Pickup” in the Memo fields on last page of the Requisition before submission. Feel free to reach out to us to check available stock quantities. Most Apple items are regularly stocked. Quantities of 3+ may be need to be special ordered instead of taken from stock, at Tech Hub’s discretion. Only Apple items can be shipped directly. Other items that Tech Hub has may need to be picked up. You will receive an email about the status of your order once it has been initially processed.

APPLE SHIPMENT TIMING: At this time, if you request that Apple items be delivered to you on campus, we place an Apple order for your items to be shipped to you directly from Apple. Items usually ship out from Apple within 3-5 days, and transit time will add a few more business days. If you need Apple items immediately, we suggest requesting them for pickup. See “Delivery/Pickup” section above for details.

PRODUCTS NOT IN THIS GUIDE: Products not found in this guide, but found at the Tech Hub store location may be available for departmental purchase as well. If you find something in store that is not in this price guide, you can include the line item description in your eRequest to purchase, or contact Tech Hub to inquire about available product.

This Price Guide is a living document. Check back for new products, price changes, and other updates. Prices and products may change without notice.

The products and pricing listed in this guide are for OSU departmental purchase only. OSU departmental purchases can only be made with eRequests, and OSU Pcards. Most products are also available with academic discounts for personal purchases. See wiredout.osu.edu for more info.

For custom orders, or questions about departmental purchases at Tech Hub email techhuborders@osu.edu, or call 2-8883, ext 1.
Due to extensive supply chain issues, these Microsoft Surface products are currently unavailable. We will no longer be carrying Surface hardware products. We will continue to sell some accessories for these units for the time being.

Mac Software, iOS Apps, iBooks

Pro Apps Bundle
(Includes Final Cut Pro X, Logic Pro X, Motion 5, Compressor 4, and MainStage 3)
BMGE2Z/A Pro Apps Bundle for Education $199.99

Purchasing Apps

1. Go to the Apple School Manager Apps and Books Store at: school.apple.com. Sign in with your appleid.osu.edu account (name.#@appleid.osu.edu)

2. Click “Apps and Books” under the Content tab on the left and search for the App title you would like.

3. Click on the correct app title to see details and pricing. iOS, macOS, and tvOS apps are displayed so be sure to select the correct app. Click the “Assign to” tab and choose your department name.

4. For free apps select Location, input how many licenses you need in the quantity field and click “Get”. For paid apps, continue to step 5 and 6. There are usually volume discounts listed for quantities of 20+ for paid apps.

5. Fill out a Workday Requisition to Tech Hub. On each line, list the platform, the title you wish to purchase, the quantity, and price. See example on next page. Don’t forget the platform, so we don’t order an iPad app for you if you want a Mac app. Also, please be very clear about the app’s title in case other similarly titled apps exist. It’s best to copy it verbatim from the ASM site.

6. After Tech Hub receives your Requisition from your business service center, an email will be sent to the “Requested By” contact within 2 business days confirming that the purchase has been applied to your account in Apple School Manager. You can check on all purchased apps in Apple School Manager by clicking Settings – Apps and Books – and viewing Purchase History.

Volume Purchase Program (VPP) Account Requests

Most apps can be ordered by following the instructions on the previous 2 pages.

If you are an IT Manager at OSU, and need to order and manage apps via a Mobile Device Management (MDM) program, you may need to request your own departmental VPP account. Follow these steps to do so:

1. Send an email to cio-endpointmgt@osu.edu. Subject: “New Apple VPP Account Request.” Please tell us which name.# and department your VPP account should be assigned to. The accounts are created as name.#@appleid.osu.edu.

2. We will create this account for you in Apple’s Apple School Manager- Apps and Books program, and an email will be sent to the group account inbox with a temporary account password for initial setup. You can then follow Apple’s instructions to finish setting up your account.

3. If you need to buy apps under this account, you will need funds in the account. You can request funds at any time by submitting a Workday Requisition to Tech Hub with the following line item:
   AVPPCREDIT Apple VPP funds - (account email address.)
   You can request any amount you’d like. See example on next page.

4. Once we receive your Workday Requisition, Tech Hub will order the credit from apple for your departmental account. We will apply the apps requested to your site in Apple School Manager Apps and Books.

5. You will need to make sure your MDM is linked to your Apple School Manager Location account via a token in the account. Reminder: most apps can be ordered by following the instructions on the previous 2 pages.

Adobe - Available via OTDI

Most Adobe software for departmental use is now available through a site license administered by OCIO. Acrobat Pro, and Creative Cloud is available. Please see ocio.osu.edu/software for details. If you are looking for an Adobe product that is not Acrobat Pro, or part of the Creative Cloud suite, please email us at techhuborders@osu.edu, and we'll see what licensing is available.
